Crafted for
connection.

Introducing Stem

Stem is strong, sleek, stylish and remarkably practical. The steel base balances strength with functionality, its slim design allowing it to fit smoothly under other furnishings.

Stem is a table or occasional design, available in three heights. Choose from solid timber or HPL top, with a range of stains or colours. From coffee nooks to staff cafeterias or public space lobbies, Stem seamlessly integrates with its environment.

Seamless

through
unobtrusive
design.

Solid American Ash

Stem is available in a solid American Ash top with smooth radiused corners and a sharknose cutaway edge profile.

HPL

Stem is available with an HPL top, featuring an exposed ply edge and smooth radiused corners.

Slim Base

Stem's slim design allows it to fit smoothly under other furnishings.

Tables or Occasionals

Stem is available in a range of heights. 400 and 600h for occasional and 720h for table.
