Introducing Fero

The Fero collection is inspired by the beauty and ruggedness of raw materials. Rustic meets industrial – The timber brings resilience and warmth to the design with a bold rustic touch. The refined steel frame adds even more visual strength and power, encapsulating the industrial style and the notion that the pieces will stand the test of time.

The collection features pedestal tables, leaners, bench seats and stools for a cohesive fit out. Customise its colour and finish to accent the style of your commercial space, whether its a staff cafeteria, restaurant or bar, this collection is the perfect option.

Enriching
each moment
with authentic
encounters.

Top Finishing

Solid timber tops are stained to your specification with the lacquer finish for added protection.

Leaner + Table

Fero offers table height at 750mm or leaner height at 1050mm. Complete your fit out a cohesive design.

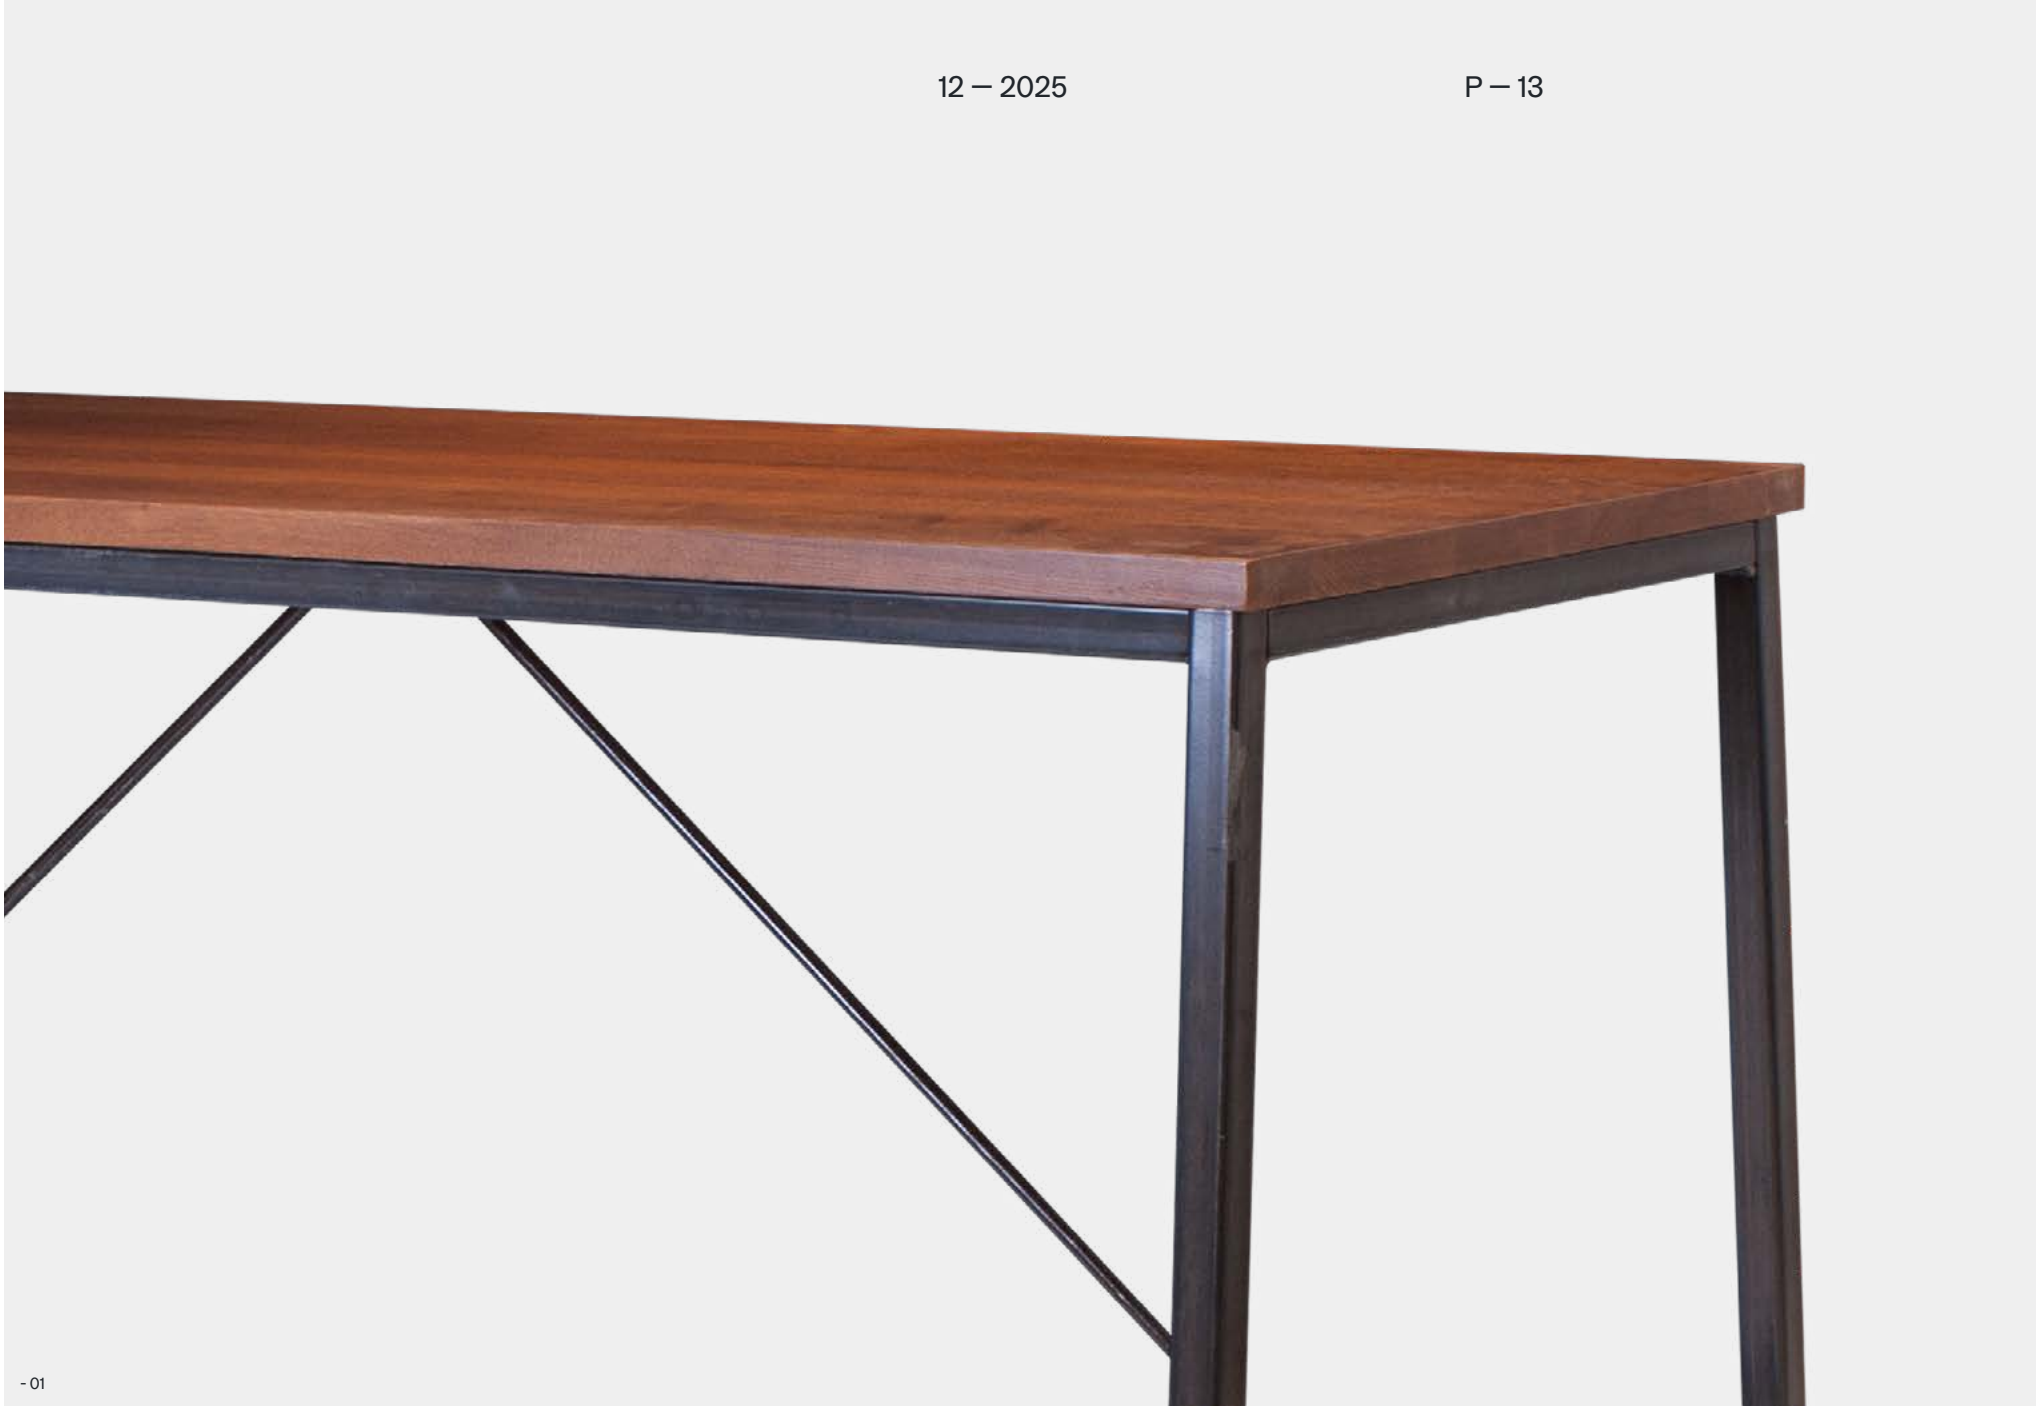

Stool + Bench

Fero offers three stool heights at 450, 650 and 750mm to accompany tables or leaners, and bench seats in lengths for all table sizes. Complete your fit out a full cohesive collection.

Steel Frames

The refined steel frame not only adds physical strength but also visual strength. Powder coated in any colour to fit any design.
