Introducing Ease

The absence of difficulty or effort. The Ease Stool is style and comfort at its peak, designed to effortlessly fit in with its surroundings whilst still making a bold statement with its strong lines and colours.

Starting from the bottom, this precisely calculated and ergonomically designed stool sits on a strong sled base for ease of use on any surface. Nylon glides ensure the base sits firmly and offers long term protection for both the stool and floor coverings.

**Stability for
the moments
that matter.**

Stained Seat

Customise your stool to fit its surroundings. Stain the Oak veneer seat in any colour or choose from black or white HPL finishes with an exposed ply edge.

Table Height

The Ease 450 brings the accessibility of a stool design down to table dining height for a modern, relaxed feel to your venue.

Upholstered Seat

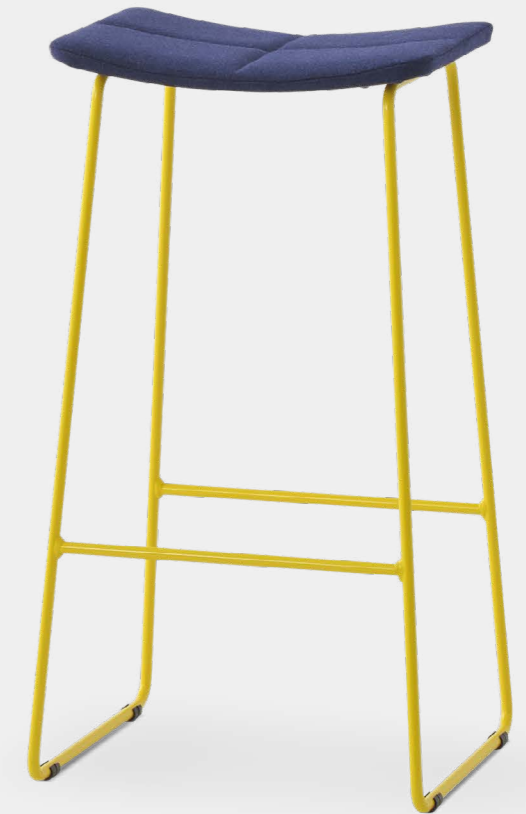

For added comfort at upholstery to your Ease Stool, choice of any fabric with a feature cross stitch detail.

Leaner + Counter Height

Ease is the perfect addition to collaborative leaners or counters with either 650 or 750 heights available.

Sled Base

The strong and slender sled base frame is splayed for additional stability, tapering towards the top. This base can be powder coated any colour and is fitted with nylon glides.
