Introducing Ikon Collection

From occasional tables to multi-person workspaces, the Ikon table system is endlessly adaptable and universal in application.

Designed and manufactured in New Zealand by Harrows, Ikon is made entirely from solid American Ash and features a unique trestle underframe design that allows unobstructed seating on all sides.

The enduring
natural beauty
of solid timber.

An Ikon for every function

Tables, leaners, occasional and more

The Ikon Collection encompasses tables and leaners, up to impressive sizes for conference rooms and board room tables. Leaners and tables can be wall mounted and tapered for the Collaborate range. The Ikon Occasional collections include rounds and rectangles and a nested option.
