Introducing Dowel

Dowel is a contemporary range of tables, leaners and occasional inspired by the principles of simplicity, beauty and durability. Showcasing the warmth of natural timber, this bold and fresh design is softened by its curves, bringing a quiet confidence to any space.

The rounded legs and smooth top appear to meet effortlessly, creating a feeling of floating. In actuality it is supported by a hidden under-frame creating a fresh look while ensuring its robustness and integrity. Dowel brings organic warmth combined with the natural and enduring beauty of solid timber, designed to be timeless and built to last.

Shape environments with presence.

Solid Timber

Dowel is constructed from Solid American Ash and can be finished in any timber stain.

Multiple Top Options

Choose from stadium or rectangle tops for tables, and rectangle or round tops for leaners, offering flexibility to suit any space.

Floating Design

With rounded legs and a smooth top, the Dowel Leaner creates a floating effect. A hidden under-frame ensures a fresh, seamless look while providing strength and stability.

Occasionals

Dowel Collection includes coffee tables and side tables, in a range of heights and sizes.
