

Key Features

- 01
Flip top bracket for folding top
- 02
Base design allows for stacking
- 03
Zinc coated steel for outdoor application
- 04
Range of top finishes and base powder coat colours

Trio

Minimalist in design and maximal in performance - a 3-legged pedestal table and leaner with a clever folding mechanism to allow for stacking.

Compact Laminate tops provide a crisp, durable surface suited to high-use environments. With a broad palette across both base and top, Trio can be set up to feel bold and graphic or quiet and restrained.
